

# Interior Lighting

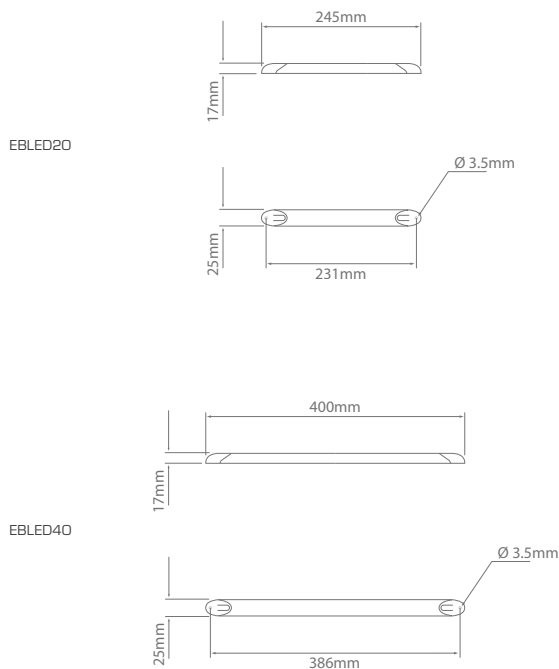

- Integral ON/OFF switch.
- High output 3<sup>rd</sup> generation LED technology.
- Low current draw.
- Multi-voltage operation.
- Easy installation.
- Slimline design.
- Polycarbonate lens & body.
- Epoxy sealed for vibration & moisture resistance.
- 5 year warranty.

LED Strip Lights with Switch

5Yrs

**Voltage :** 12-24  
**Lens :** Polycarbonate  
**Body :** Polycarbonate  
**Lead Length :** 100mm  
**Light Source :** LED  
**Operating Temperature :** -30°C to 50°C

## LED Strip Light with Switch

Part No.	No. of LEDs	Lumen	Max Current Draw (Amps)
<b>EBLED20</b>	9	110	0.2
<b>EBLED40</b>	18	220	0.4
