

Circuit Protection

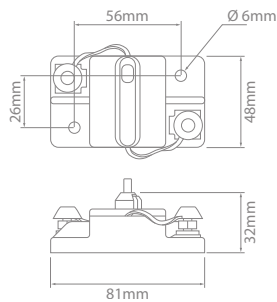

- Marine rated.
- Stainless steel hardware.
- Switchable.
- Broad operating temperature.
- Environmentally sealed – IP67.
- Ideal for marine applications, trucks, buses, RV's.

Circuit Breakers – Marine

Material : Thermoplastic
 Ingress Protection : IP67
 Operating Temperature : -32°C to 82°C
 Approvals : SAE J1625, SAE J1171

IP67

285 Series – Surface Mount
