

# IONNIC LED

- Latest high output LED technology.
- Impact resistant lens.
- Environmentally sealed aluminium body – IP67, IP69K.
- Compact & lightweight.
- Low current draw.
- Multi-voltage.
- 3 year warranty.

Scene Light

**Voltage :** 9–35V  
**Max. Power Consumption :** 19W  
**Lens :** Polycarbonate  
**Body :** Aluminium  
**Connector :** 500mm Fly Lead  
**No. of LEDs** 52 x Osram  
**LED Colour Temperature :** 6000K  
**Operating Temperature :** -20°C to 45°C  
**Ingress Protection :** IP67, IP69K  
**Approvals :** CE, ECE R10

## Scene Light

Part No.	Operational Voltage	Lumen Output		Input Current [A] @ 13.8V
		Theoretical	Operational	
<b>98-9244</b>	9–35	6,500	2,296	1.4

Supplied with gaskets & mounting screws.
