

Circuit Protection

- Reduce clutter from excess cabling by using a power distribution unit.
- Common feed powers all fuse positions.
- Removable busbars.
- Hinged/removable covers for easy access to fuses.
- ANSFH-08 features 2 x spare ANS fuse holders located under lid.
- ANSFH-08 suits 1 x AMG, 7 x ANS bolt-in fuses.
- ANSFH-04 suits 4 x ANS bolt-in fuses.

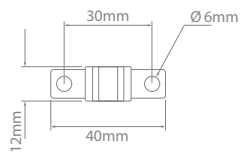

Power Distribution Units

Housing : Thermoplastic
Cover : Thermoplastic
Operating Temperature : -40°C to 120°C

Power Distribution Units – Surface Mount
