

Circuit Breakers

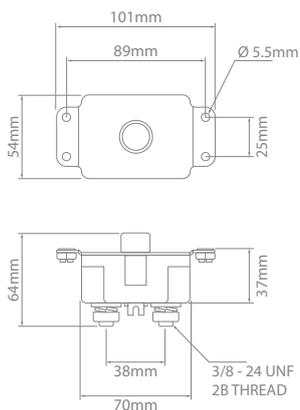

- Ignition protected.
- Sealed housing protects against water ingress, moisture, dust, grease, fuel vapours.
- Ideal for trucks, buses, RV's, marine, battery chargers, DC audio systems.
- Made in North America.

7855 Series Circuit Breaker

Interrupt Current Capacity : 3,000A @ 28VDC
 Material : Thermoplastic
 Mechanical Life : 500 Cycles
 Vibration : 10G MIL-STD-202 Method 204, Condition A
 Weight : 241g
 Operating Temperature : -50°C to 70°C

Made in North America

7855 Series – Panel Mount

Part No.	Reset	Current Rating (A)
7855-6-200	Manual	200
