NEW PRODUCT

Worklamps

LED Scene Light – XL

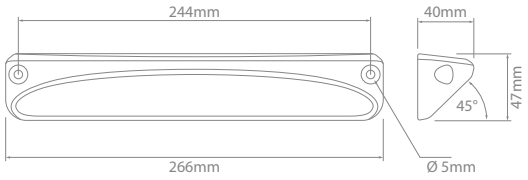

- Selectable light intensity – 4,100lm or 2,100lm.
- Low output is ideal for enclosed spaces such as toolboxes, while the high output option is perfect for exterior mounting.
- 45° angle of illumination.
- Compact & lightweight.
- Multi-voltage.
- Low current draw.
- Impact resistant lens.
- Environmentally sealed – IP67, IP69K.
- Robust cast alloy body.
- 3-year warranty.

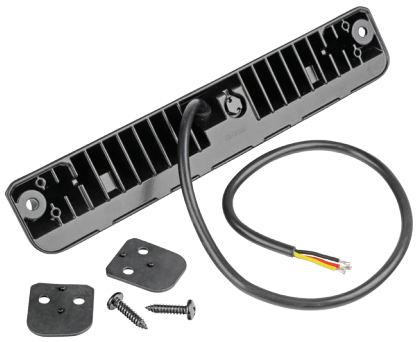

Theoretical Lumen Output :	High Output	7,796lm
	Low Output	3,898lm
Operating Lumen Output :	High Output	4,100lm
	Low Output	2,100lm
Operational Voltage :		9–33V
Current Draw :	Low Output	1.9A @ 13.8V
	High Output	3.8A @ 13.8V
LED Lifetime :		30,000 Hrs
Connector :		500mm Fly Lead
Mount :		2 x #10 Screw
Lens :		Polycarbonate
Body :		Aluminium
Weight :		387g
Ingress Protection :		IP67, IP69K
Approvals :		CE, RoHS, ECE R10
Operating Temperature :		-30°C to 65°C
Colour Temperature :		5700K
Light Source :		90 x Osram 1W LEDs

LED Scene Light – XL

9V 33V | IP67 | IP69K | 3Yrs

LED Scene Light – XL

Part No.	Operational Voltage
98-9249	9–33
